New Revolutionary

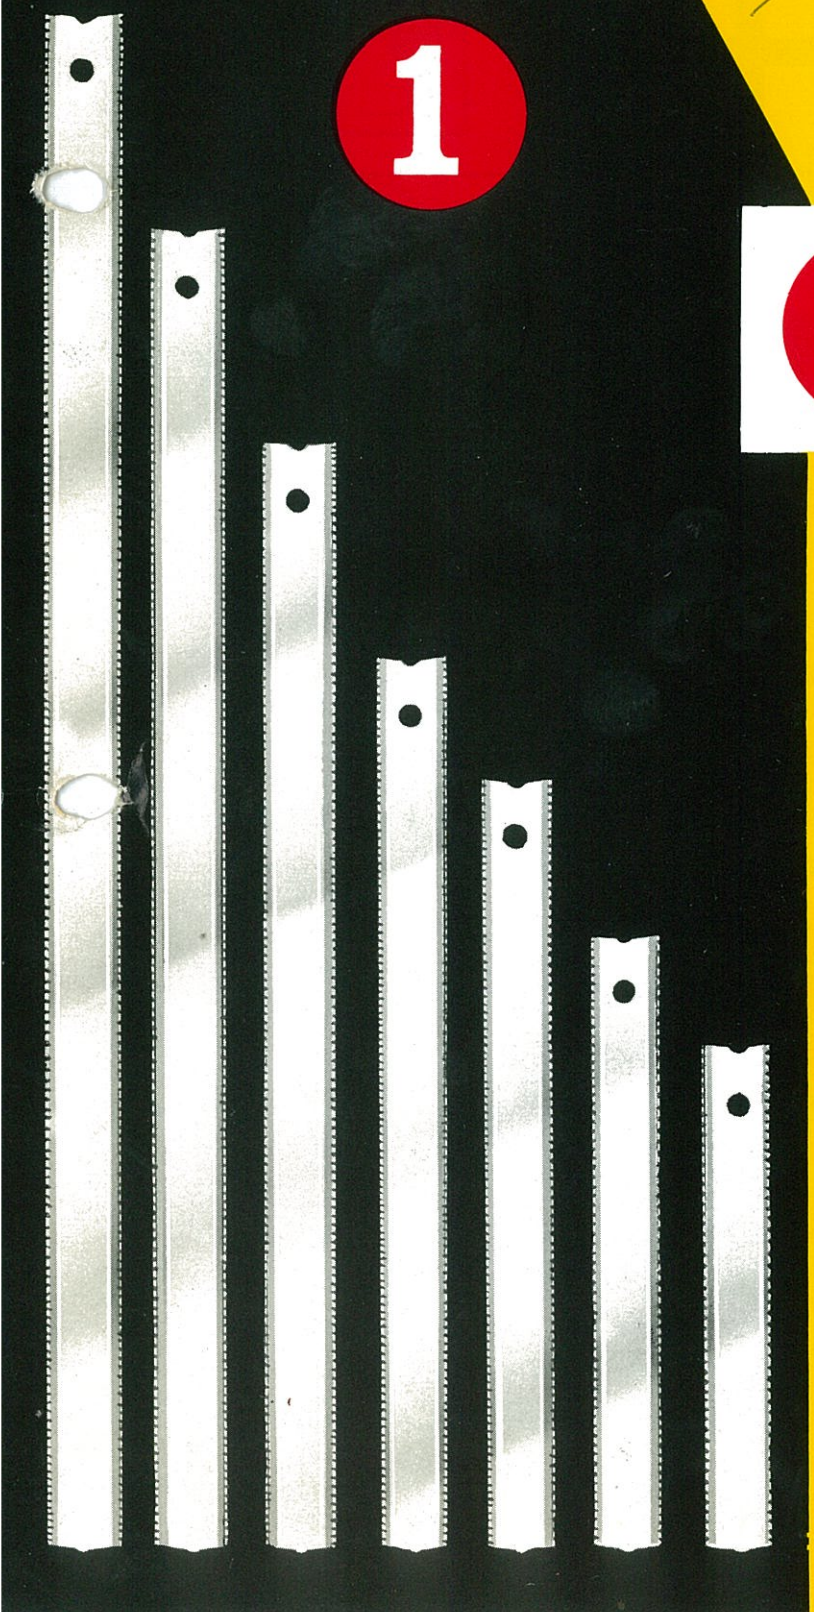
DAWN

DUAL DEPTH CLAMPING SYSTEM

1981

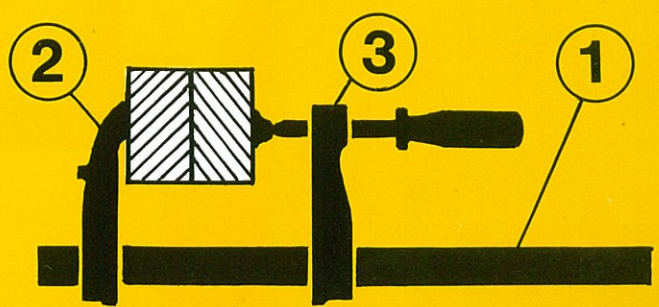
This totally new and revolutionary clamping system gives the tradesman or handyman more versatility with clamping applications and at less cost than a range of different size clamps doing the same jobs!

1



2

3



The system comprises (1) a strong steel bar (choice of lengths to suit your needs); (2) & (3) a jaw set featuring two throat depths, an exclusive feature of the Dawn Clamping System.

DAWN TOOLS & VICES
